

# Akeso Physio

“Enabling Movement, Enhancing Life”

We are Chartered Physiotherapist who hold registration with the Health & Care Professions Council. We provide a wide range of physiotherapy and acupuncture services designed to promote wellness and maximise physical functionality, and aid you in recovering from musculo-skeletal injuries. We will work with you to understand your needs and build personal treatment regimes that suit you. We pride ourselves in our service, passion, empathy, accountability, and integrity.

Our lead physiotherapist Ms Pallavi Sharma has a Masters in Musculoskeletal Physiotherapy from Sheffield Hallam University. She has been practicing since 2006 after completing her graduate studies in Physiotherapy. She has experience in an NHS hospital environment at the University College of London before she started working in a private practice. She specializes in Musculo-skeletal Physiotherapy treatment and is proficient in the use of acupuncture.

We use range of treatment techniques including manipulation, mobilization, acupuncture, stretching and rehabilitation exercises to treat :

- Back Pain
- Neck Pain
- Whiplash Injuries
- Tension Headaches
- Shoulder pain
- Foot Problem
- General aches and Pains
- Repetitive Strain Injuries and many more.

Our Physiotherapy Clinic is recognised as a provider for most insurance companies, but you may need to check if you are covered by your health insurance policy. Please check your policy. Please note that coverage may vary depending on your plan and your insurance company, therefore, please check your provider and policy to see how much they will reimburse prior to visiting us.

If you have any questions you can call us for a free phone consultation.
